THE ART OF THE MODERN WEDDING

The Hepworth Wakefield is one of the UK's leading art galleries, located on Wakefield's historic waterfront in the heart of Yorkshire. The gallery is designed by the acclaimed David Chipperfield Architects.

Whether you are planning a civil ceremony, civil partnership, vow renewal or reception, our multi award-winning venue combines stylish design with world-class art, making The Hepworth Wakefield the perfect venue for the modern wedding.

The dramatic building, surrounding riverside, footbridge and garden designed by Tom Stuart-Smith provide stunning locations perfect for capturing your special memories in unique photographs.

The Hepworth Wakefield is a registered charity so when you hold your wedding at the gallery you will be making a vital contribution to the region's artistic legacy.
