All food at The Hepworth Wakefield is produced in house by our team of excellent chefs who offer a sustainable and seasonal menu which highlights locally sourced produce. Every purchase supports the work of The Hepworth Wakefield and is directed towards our ambitious exhibitions and learning programmes.

IN SEASON
This February our menu will feature locally grown forced rhubarb from right in the heart of the UK's famous Rhubarb Triangle. Grown in the dark & picked by candlelight, this vibrant pink rhubarb comes to us from family run farms, tended for generations. Enjoy it in our cafe today!

OUR SUPPLIERS
We pride ourselves on working closely with a host of exceptional and award-winning suppliers from around the region including artisan cheesemonger Cryer & Stott, established 25 years ago in Wakefield; R&J Butchers, a family farm and butcher based in Nidderdale, North Yorkshire; and Ian Young's Harrogate-based farm where our eggs are delivered within three days of being laid.

SUSTAINABILITY
We are committed to implementing sustainable practice in our café. Food waste is collected weekly through ReFood, a food recycling plant based in Doncaster. In 2025, 1200 KW hours of energy was produced through our waste alone which has been fed back into the National Grid.

SPOTLIGHT
THE ESTATE DAIRY

We are proud to feature the exceptional Greek-style yoghurt from The Estate Dairy on our menu. Crafted with fresh, unhomogenised whole milk from their pedigree herd and gently pasteurised. It's then traditionally strained for a luxurious density and rich flavour which has earned it a Great Taste Award. Made with no additives or stabilisers, just natural goodness and live lactobacillus culture, it's produced in small batches for ultimate quality. Enjoy this incredible yoghurt in our turkish eggs.
